Live Broadcast of 2017 Milwaukee Air & Water Show on 620 WTMJ Mobile App

Listen to the Milwaukee Air & Water Show from any location July 15

Milwaukee, Wis., June 20, 2017.... [The Milwaukee Air & Water Show](#) presented by [WaterStone Bank](#) announced today it will broadcast the 2017 show live from the lakefront on the [620 WTMJ](#) Mobile App Saturday, July 15, to produce an all-encompassing experience for listeners. The live broadcast will start at 10 a.m and end after the U.S. Navy Blue Angels conclude their performance around 4 p.m.

The live broadcast of the Air & Water Show allows spectators to listen to a live-action commentary from show center while simultaneously watching from any location along the lakefront. Audiences will hear show announcer Herb Hunter and 620 WTMJ broadcasters share performer insight along with up-to-date announcements.

The app will be available on Apple and Android devices free of purchase. To download the 620 WTMJ Mobile app, visit the app store on the device. On the day of the show, a link will also be available to stream the broadcast on the websites of 620 WTMJ and the Air & Water Show.

In 2015, the live broadcast generated thousands of downloads from fans all along the lakefront and boaters on Lake Michigan so they could listen to the official description of the planes and boats performing during the show.

The Milwaukee Air & Water Show is excited to partner with 620 WTMJ to bring the air show audience an easy way to be a part of the action.

About the Milwaukee Air & Water Show

The [Milwaukee Air & Water Show](http://www.milwaukeeairshow.com), sponsored by [WaterStone Bank](#), is unique in Milwaukee's history and provides affordable, wholesome entertainment for the entire family. From its grassroots beginnings in 2002, the air show has grown into Wisconsin's largest free event, providing a substantial economic impact to Milwaukee's local economy. The Milwaukee Air & Water Show is Milwaukee's masterpiece of sound and color that showcases the role of aviation in the community, the history of air power, provides a forum for educating young people about aviation, and encourages the natural excitement these upcoming generations have for flight.
